

Guidance and Overview: Completing the Herb Kohl Educational Foundation Principal Leadership Application

Congratulations on being nominated for a Herb Kohl Educational Foundation Principal Leadership award. This is a prestigious accolade that is recognized throughout Wisconsin and beyond as a mark of excellence in education.

If you have decided to apply for the Principal Leadership award, the first step will be for you to follow the link in the nomination email and build a Personal Profile.

Personal Profile Information

Most of the information included in this section will be obvious, but some might require some explanation. See notes below on each of the fields under Personal Profile. Required fields have a red asterisk in the platform.

- First Name
- Middle Name
- Last Name
- Phonetic Pronunciation of Full Name
 - Even if this seems obvious, please write out a phonetic pronunciation. Recipients have their names and biographies read at a banquet held in their honor next spring, and getting names right is important.
- Email
 - Choose an email that you will be able to monitor without access restrictions. Personal emails tend to be better than school based emails.
- Title
- Prefix
- Phone
 - Just as with your email, choose a phone number that you can access without restrictions. Personal numbers are generally better than school numbers.
- Cell Phone
- Address
 - Enter your home address. If you receive an award, this is where your award check will be sent. Your school's check will be sent to the school's address.
- Address 2
- City
- Country
- State
- DPI License Number
 - This is your 5 or 6 digit File Number, which can be searched easily using this link and your name: <https://elo.wieducatorlicensing.org/datamart/searchByNameWIDPI.do>
- What type of school are you associated with?: Private School

Click on the “Validate Profile” button at the bottom to complete your profile, which will allow you to view the application once you return to your home screen in SmartSimple.

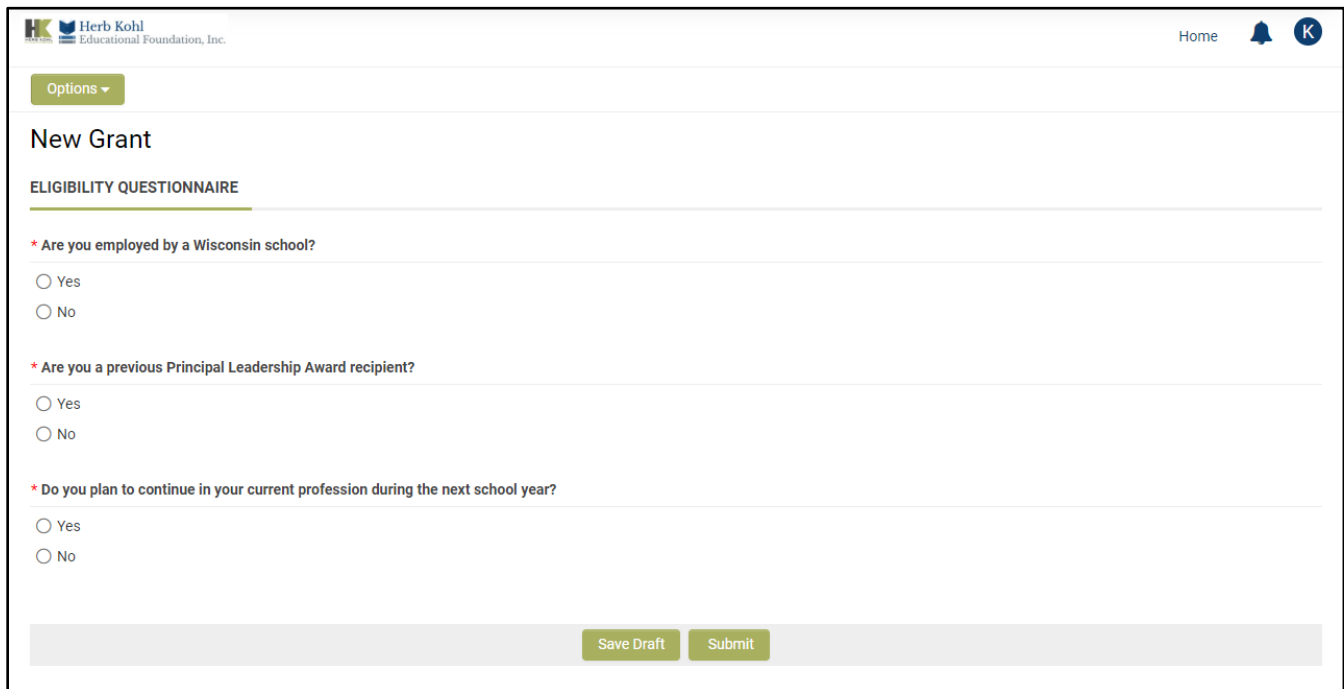

Once you verify your profile information, you’ll be able to apply for a Principal Leadership award. You will need to select “Principal Leadership” in the Funding Opportunities window, upper left side of home screen. That will open an application for you. Once opened and saved, you’ll be able to return to the same application until the deadline for submission, or until you hit “Submit”.

Eligibility

Please answer the three eligibility questions in order to move forward. Previous recipients are not eligible to receive a second Principal Leadership award, but if you’ve been nominated in the past and NOT received a Principal Leadership award, you remain eligible.

Educators currently in the role as Assistant or Associate Building Principals are not eligible to apply. Office staff and other administrators are not eligible to apply, unless more than 50% of your job is dedicated to being a building leader. (For instance, a rural high school principal who is also the Director of Special Education would be eligible, but someone who serves less than 50% of their time as a building principal is not eligible.)

Note: If you received a Student Excellence award, a Student Initiative award, or a Teacher Fellowship in the past, but not a Principal Leadership award, you are still eligible for a Principal Leadership Award.

The screenshot shows a web application interface for the Herb Kohl Educational Foundation, Inc. The page is titled "New Grant" and contains an "ELIGIBILITY QUESTIONNAIRE". There are three questions, each with radio button options for "Yes" and "No". At the bottom of the form are two buttons: "Save Draft" and "Submit".

Tabs

The Principal Leadership application asks you to work your way through using a series of tabs, which you can follow in sequential order, or click through to jump from section to section.

The six tabs are: **Overview; School Demographics; Experience and Growth; Professional Practice; Recommendation; and Signature.** On each tab are fields to fill out. Just like in the Personal Profile, fields marked with a red asterisk are required.

Each tab, and the information required for each tab, is explained in detail, below.

Overview Tab

The information you entered into your profile, along with some of the information from your nomination, will automatically populate most of the fields on this tab. However, there are some additional fields you must complete to move forward.

i Instructions

Use the tabs, above, to navigate through the application. You can also use the "Next" link in the lower right corner of the screen to advance to the next tab, or "Back" on the bottom left to go back one tab. We recommend you hit "Save" frequently, as the application does not automatically save entered data. Some of these tabs also use popup windows to add information. Please remember to hit "Save" before closing those windows, or you will lose the data you entered. For some of the longer fields, such as essays and other longer responses, you may want to edit your work outside of the application, and copy/paste your response in when you are ready. Your application must include three submitted letters of recommendation in order to submit the application. Review the "Recommendation" tab for further requirements. Once you are done and hit "Submit", you may see error messages that help you identify any missing required information. If you have successfully filled in all required fields, the application will be submitted and your application will proceed to our Regional Review process.

Note: You will receive a copy of the application, via email, once it has been submitted.

Professional Reflections

For the following questions, please consider these tips:

- Use full names, not acronyms (for example, use Future Business Leaders of America, instead of FBLA)
- Focus on backing up your answers with examples and evidence
- Consider how your letters of recommendation may also provide examples of evidence
- Think about how all six prompts can work together to tell your story as a teacher

* What is your personal educational philosophy, and how is this philosophy demonstrated in your teaching?

Professional Practice Tab

Please respond as fully as possible to the six writing prompts, without exceeding 500 words for each essay.

The prompts are:

1. Every school has a distinctive climate and culture. Tell us your school's story. What do reviewers need to know to understand the context in which you lead?
2. How has your leadership style influenced student achievement over time? How have you involved staff, students, and the community in developing programs that give equal access, close the achievement gap among student subgroups, and ensure that each student is college and career ready? Identify statistical evidence to support your statements from the local school data you have provided in this application.
3. Studies have shown that principal leadership is second only to strong instruction in assuring positive student performance. What behaviors have you engaged in that increase your capacity as an instructional leader and how have you influenced the behaviors of others who are aspiring to lead in your school? Please include references to outcomes for students that you attribute to these behaviors.

Professional Practice Upload:

Principals may upload up to a 4 page PDF file of charts, artifacts or evidence that supports their professional practice essay responses. **Applicants who upload more than four total pages of .pdf documents may have their application packets removed from consideration!**

Advice for this section:

- Compose, revise and edit your responses in a word processing program (ex. Google Docs, Microsoft Word) and then copy/paste the final version into your application.
- Proofread your work! Reading it out loud to yourself will help you locate errors.
- Write truthfully and tell your story with humility, but take credit for your actions and the impact of your decisions as an educator.
- If you are going to describe an activity that several people collaborated on, specifically address your role in that work, and how your work impacted the outcomes of the group's work together.
- Consider how each of the six responses, when read together, can form a larger, more cohesive body of work that describes your leadership and impact (like chapters in a book).
- Give real-life examples when you can.
- Consider protecting any specifically identifiable information about others when possible.
- Consider addressing how your context affects your decisions and impact of your words and actions (including things like geographic location, student populations, role and duties, relative affluence of the school and community, and proximity/availability of resources).
 - Consider describing the challenges you have faced, or the barriers you've overcome, in becoming the educational leader you are today.
- Focus on speaking to things like innovation, leadership, impact/results, and equity through your words and actions.
- Consider how the letters of recommendation you request will support and deepen the evidence for the things that you share in your professional reflections.
- Double check how many pages are uploaded into the Professional Practice Upload! Four pages is the maximum.

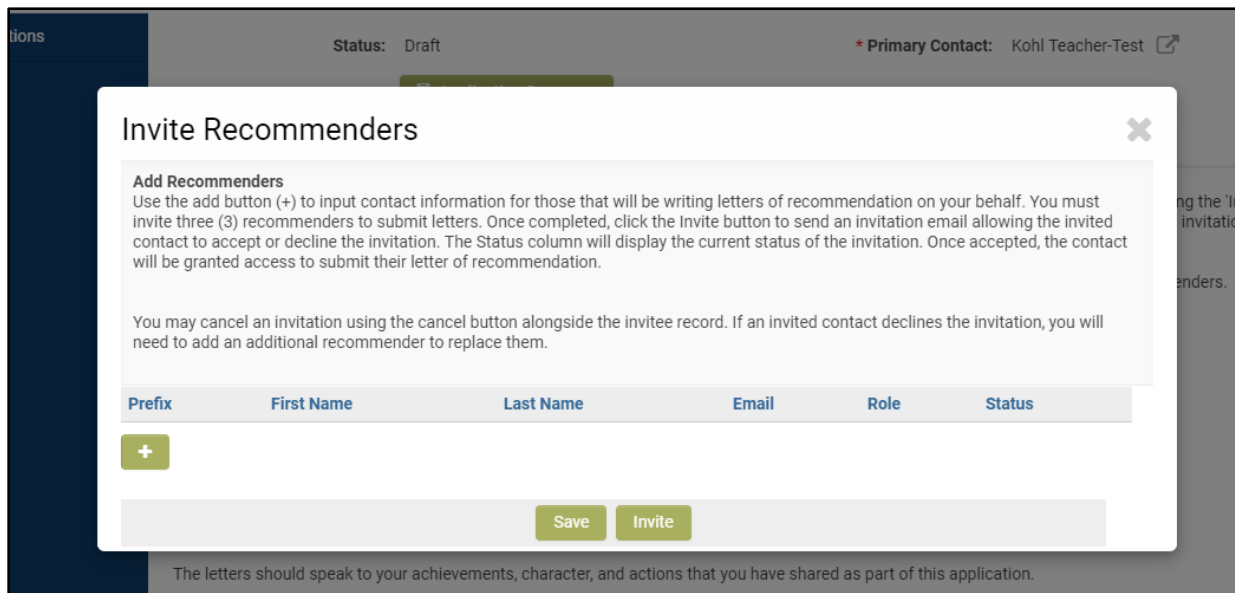

Recommendation Tab

You will need to secure three (3) letters of recommendation before you can submit your application as complete. You will use the application to invite your recommenders to complete a letter of recommendation form on your behalf. You will be able to see if they have been invited, have accepted and are drafting a letter, have completed their letter, or declined the invitation from within this tab. You will NOT be able to see what they have written or shared about you.

The screenshot shows the 'Recommendation' tab of an application for the Herb Kohl Educational Foundation, Inc. The application ID is 2019-13117. The interface includes a navigation menu on the left with 'Main' and 'Invitations' options. The main content area has tabs for 'OVERVIEW', 'SCHOOL DEMOGRAPHICS', 'EXPERIENCE & GROWTH', 'PROFESSIONAL PRACTICE', 'RECOMMENDATION' (which is active), and 'SIGNATURE'. Below the tabs is an 'Application Summary' button. The main text explains that three letters of recommendation are required and provides instructions on how to invite recommenders. A 'Please Note' states that the application cannot be submitted until three letters are received. There is an 'Invite Recommenders' button. Below this is a table with two columns: 'Invited Contact' and 'Invitation Status' at the top, and 'Recommender' and 'Letter Status' at the bottom. The table is currently empty. Further down, there are instructions on the sources of letters (principal, teacher, parent/community member/business leader) and a word limit of 500 words per letter. At the bottom, there are 'BACK', 'NEXT', 'Save Draft', and 'Submit' buttons.

Letters must come from different sources:

- One letter from a principal, assistant principal, or district administrator. This letter can come from a person a different school in your area, or from outside of your area.
- One letter from teacher currently on staff.
- One letter from a parent, community member, or business leader.

Recommender statuses:

Once you invite a person to recommend you, their status will change to “Invited”. They will receive an email with an invitation to “Accept” or “Decline” the invitation to submit a letter. Once they respond, their status will update to whichever option they chose (“Accepted” or “Declined”).

Once their letter has been submitted, their recommender status will change to “Submitted” in your application.

If someone declines, or is generally unresponsive, you can also “Cancel Invite” using the green button with an “X” on it in the Invite Recommender submenu, and then you can add another recommender. **You must have all 3 recommendations submitted before you can submit your application.**

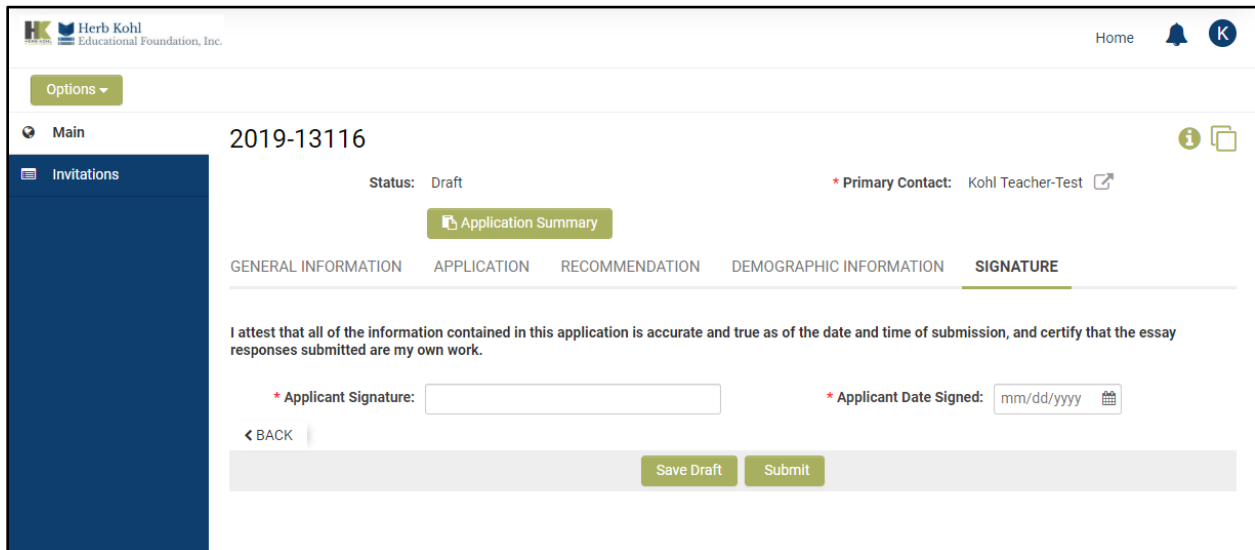

Advice for this section:

- Actively manage your invitations and completion of letters of recommendation!
 - A packet will not be considered if it has fewer than the three required letters of recommendation.
 - No extensions of time will be granted to applicants or recommenders. Please plan accordingly.
- Consider being strategic in your invitations, and clear in what you hope a recommender can speak to about your leadership and the impact of your words and actions.
- Reach out to recommenders personally before you invite them using the SmartSimple platform, so they know to look out for the request. This also allows you to decide whether or not they might be a good reference for you.
- Encourage recommenders to give evidence and examples in their recommendations.
- Letters written in a language other than English will be shown to reviewers in the language in which they were written, to preserve as much of the authentic word selection and intent of the writing. However, English translations will also be made available to reviewers. We will use commonly available services (ex. Google Translate) unless a recommender is able to provide a translation. Please contact Daniel Henderson at (608) 287-1224 with any questions on this provision.

Signature Tab

Once you have completed the application, have filled in content for all required fields, and received three letters of recommendation, you will be able to submit your application for consideration at the Regional level.

- Applicant Signature (You must type your full name in the field)
- Application Date Signed

The screenshot shows the 'Signature' tab of an application for ID 2019-13116. The status is 'Draft'. The primary contact is 'Kohl Teacher-Test'. The application is divided into sections: GENERAL INFORMATION, APPLICATION, RECOMMENDATION, DEMOGRAPHIC INFORMATION, and SIGNATURE. The SIGNATURE section contains a declaration: 'I attest that all of the information contained in this application is accurate and true as of the date and time of submission, and certify that the essay responses submitted are my own work.' Below this are two required fields: '* Applicant Signature:' and '* Applicant Date Signed:' (with a date picker set to mm/dd/yyyy). At the bottom are buttons for '< BACK', 'Save Draft', and 'Submit'.

Submitting your Application

Click "Submit" at the bottom of the Signature tab to send it in for consideration. If there are any required fields left empty or letters of recommendation missing, you will receive error messages with links to click that will take you directly to the error.

Once you submit, you cannot re-open your application for editing.

The deadline for 2020 Principal Leadership Applications to be submitted is Tuesday, January 7, 2020, at 5:00 p.m.
